

HELPFUL TIPS ON MAKING A VIDEO

Using only your smart phone

Step #1

Gather pictures from social media and storage devices.

Step #2

Edit Photos using a font app such as the ones below !

Step #3

Place in Slide Show or movie Maker Type app, Select music and movements

Step #4

SHARE ON SOCIAL MEDIA!

All of the following apps do have paid versions or upgrades but are not required for making a video!

Pic Collage

Typorama
