

January 27, 2020 (Updated 4/1/20)

Dear Chapter Presidents/Members:

As we all know by now, the Spring Forum in Wichita has been cancelled for our safety. All nominations will still be valid and will be awarded at Fall Conference. Therefore, the due date for nominations has been extended to August 1, 2020.

Please continue nominating your fellow members to recognize their efforts and achievements as a Future Leader, Member of the Year or in Safety Excellence.

You can view last years' award recipients at <https://www.nawicmidwestregion.org/awards.html>.

With the extended deadline, I hope that each chapter finds time to send in at least one nomination or recognition to be celebrated during Fall Conference.

Forms can also be found on the NAWIC Midwest Region website.

Nominate, recognize often and inspire always. Thank you!

April Planck, MWR Awards Chair 2018/2020
